Spice Levels

Dave's lets you choose your heat level from No Spice to Reaper. Start with Mild or Medium if you are new to the menu.

Spice Level	Heat Level	Best For
No Spice	0/10	People who want crispy chicken without any heat.
Lite Mild	2/10	Those who prefer a very light kick with more flavor than spice.
Mild	3/10	First-time visitors looking for a safe and enjoyable spicy taste.
Medium	5/10	A balanced choice with noticeable heat and plenty of flavor.
Hot	7/10	People who enjoy genuinely spicy food.
Extra Hot	9/10	Spice lovers who can handle intense heat.
Reaper	10/10+	Only for extreme spice fans who want the hottest challenge.
